Login Page

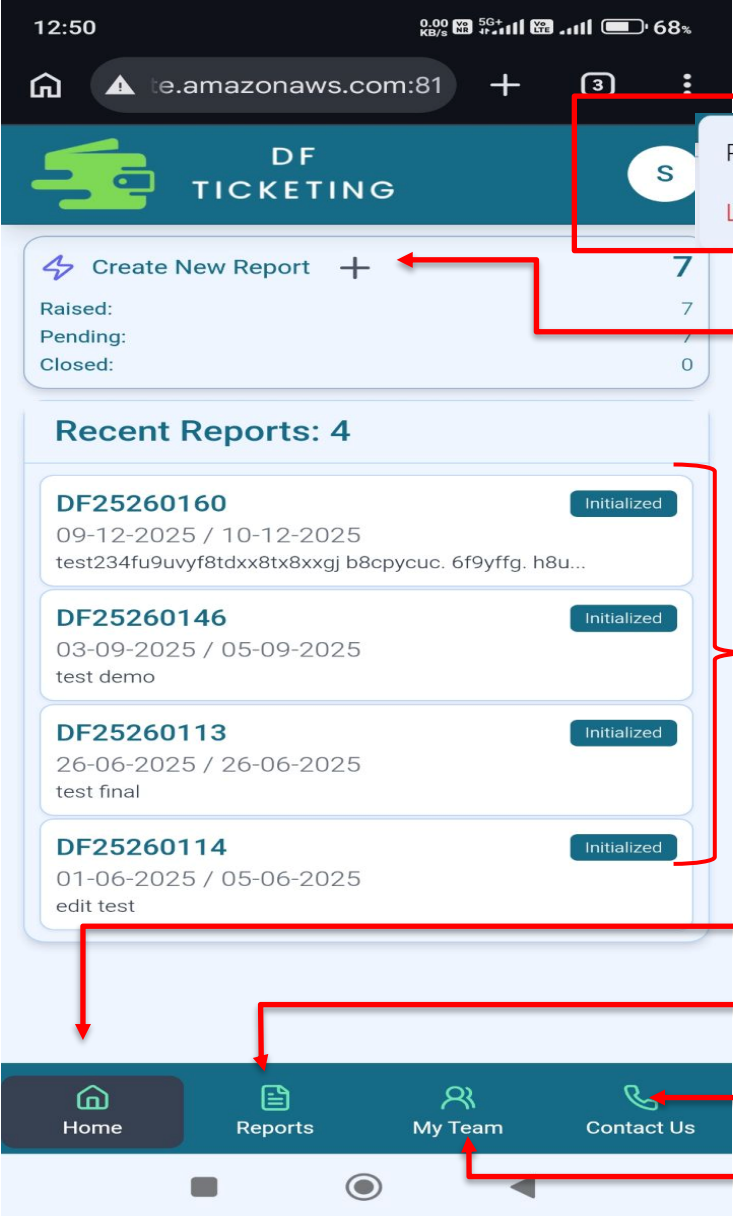

The image shows a mobile app interface for 'DF TICKETING'. At the top, there's a green logo of a hand holding a ticket and the text 'DF TICKETING'. Below this is an illustration of a customer service agent at a desk. The main section is a 'Login' form with two input fields: 'Email' (with a placeholder 'Email Address') and 'Password' (with a placeholder 'Enter your password' and a toggle icon). Below the form is a blue 'SIGN IN' button. At the bottom, there's a 'Sign in with Google' button with the Google logo. Red boxes highlight the login form and the Google sign-in button, with red arrows pointing to explanatory text on the right.

You can log in using your DF email and the auto-generated password sent to your registered email address.

OR

You can log in using the Google option with your registered DF email address.

Home Page

The screenshot shows the DF TICKETING app interface. At the top, there's a status bar with time 12:50, signal strength, and battery level 68%. Below the status bar is a navigation bar with a home icon, a browser address bar showing 'te.amazonaws.com:81', and a profile icon with a dropdown menu containing 'Profile' and 'Logout'. The main content area features a 'Create New Report' button with a plus sign, a table of report statistics (Raised: 7, Pending: 7, Closed: 0), and a 'Recent Reports: 4' section listing four reports with their IDs, dates, and descriptions. At the bottom is a navigation bar with four icons: Home, Reports, My Team, and Contact Us. Red arrows point from text boxes to these specific UI elements.
